

UNITED NATIONS INDUSTRIAL DEVELOPMENT ORGANIZATION

Project title: Fostering international partnerships between companies from MENA countries and Italian stakeholders operating in energy and sustainable development

Project ID Number:

Area/Location/Countries: Egypt, Jordan, Lebanon, Morocco, Palestine, Tunisia

RBM code: GC2 Advancing Economic Competitiveness
Thematic code:

Planned Start - finish date: March 2018 – March 2019

Duration: 1 year

Government Co-ordinating agency & Executing agency/cooperating agency: Italian Ministry for the Environment, Land and Sea; UNIDO ITPO Italy

Counterparts: All the Ministries of Environment in the 6 considered countries and selected local Governmental Agencies in the relevant sectors.

Budget: € 128.400 (incl. support costs)

Brief description:

The objective of the project is enhancing international partnerships between companies from 6 identified MENA countries and Italian stakeholders operating in selected energy and sustainable development. The project goal will be to strengthen the relationship among Small and Medium-sized Enterprises (SMEs) operating in energy and sustainable development sector through promotion of ad hoc international fairs, organization and assistance of incoming and outgoing business delegations, organization of seminars in environmental issues on the basis of the needs of the 6 selected MENA Countries, support and follow up of the ongoing opened negotiations, and demonstrating the viability of ad hoc cutting edge technological solutions through ad hoc professional tours and workshops.

UNIDO ITPO Italy will act as honest broker in favouring the creation of international partnerships, stimulating investments, technology transfer, and capacity-building activities in the above mentioned sectors, with the aim of supporting sustainable development and local job creation.
